

HUMASK 2000™

Code produit : H-2000

Level 2

Features and benefits

Unrivalled breathability and comfort.

Bacteria filtering efficiency greater than 98 % (BFE).

Flexible and adjustable nasal band and ear clip.

Pleated design prevents fluid buildup.

Assembled via ultrasonic welding.

Hypoallergenic, free from latex and fibreglass.

Available in blue, white or black.

ASTM F2100-19 / LEVEL 2 COMPLIANT	METHOD	SPECIFICATION
Bacterial filtration efficiency (BFE), %	ASTM F2101	≥ 98
Particulate filtration efficiency (PFE), %	ASTM F2299	≥ 98
Splash Resistance (mmHg)	ASTM F1862	120
Pressure differential (mmH ₂ O/cm ²) ΔP	EN 14683:2019 - Annex C	< 6.0
Flammability	16 CFR PART 1610	Class 1

Health Canada License
MDEL #11828
